

**Most Blessed Sacrament
Summer Reading Program
Incoming First Grade Students**

Dear MBS Parents,

Most Blessed Sacrament School requires students to participate in summer reading. Please see the following Summer Reading guidelines for students entering 1st Grade at Most Blessed Sacrament.

- Students entering 1st Grade should “read” or “be read to” five (5) or more books during summer.
- Print out the attached Summer Reading Log to record summer reading progress.
 - Students should record each book title, author, and rating on the attached Reading Log with parent guidance.
- Students should choose one (1) book, from their log, to complete the attached book summary page.

Students should turn in their Summer Reading Log and Summary Page on the first day of school for a completion grade in Reading.

Students are also encouraged to join the summer reading program at their parish library.
