

MBS Parish Sports 2025-26 Guide

MBS Athletics offers Parish Sports Programs for PreK through 2nd grade students, boys, and girls. We will offer Flag Football and Basketball in the Fall 2025 and Tee Ball and Soccer will be offered in the Spring 2026. The objective of these programs is for the children to have fun, however, basic and fundamental sports skills are incorporated. We also stress sportsmanship and team sports concepts. Our goal is for the students to develop as they advance to our Developmental leagues (3rd – 5th grade).

Monica Southard, assistant athletic director for MBS, organizes and conducts these programs. These athletic programs would not be possible without the support of parents, who serve as volunteer coaches for the Parish Sports Programs. If you are interested and able to volunteer, please let us know. Coaches receive volunteer hours for their time.
