

Housing LOUISIANA

Monroe Region Housing Priorities 2018

- **Create designated revenue streams for local and statewide Housing Trust Funds to increase affordable housing production.**
- Secure funding for a robust home rehabilitation program for homeowners and affordable housing landlords in order to bring properties up to code standard.
- Assist homeowners and landlords with critical home repairs
- Address adjudicated properties and blight.
- Improve quality and accessibility of homebuyer education programs
- Advocate for better coordination of housing and social services
- Advocate for the strategic involvement from the private sector and lenders in creation of affordable housing
- Invest in sustainable development and weatherization for quality neighborhoods that will lower utility bills and increase energy efficiency
- Advocate for the creation of a parish-wide drainage model and development of flood resistant neighborhoods
- Create a comprehensive housing plan
- Advocate for strategic involvement from the school system in creation of affordable housing
- Invest in affordable, housing stock for first time homebuyers.
- Invest in education and community engagement around affordable housing and planning efforts

HousingLOUISIANA is network of regional housing alliances across the entire state. Our membership hopes you'll support policy and legislation that secures funding for housing for those impacted by disaster, special needs populations and for families and individuals who face housing insecurity.
