

VICINITY MAP Scale: 1" = 2000'

Station Name: "V 206" (PID BJ0083)

Monument Location: The station is located in West Baton Rouge Parish, LA, 9.1 miles Southeast of New Roads, LA, 9.6 miles West-Southwest of Zachary, LA and 12.6 miles Northwest of Brownfields, LA. To reach the station from the intersection of LA HWY 415 and HWY 982 (Arbroth Rd.), travel North on LA HWY 415 for 0.7 miles and the station will be on the right, just West of a fence at the toe of the levee. The station is 0.2 miles South of a gravel driveway.

Monument Description: The station is a U.S. Coastal and Geodetic bench mark disk found on top of a concrete monument, stamped "V 206 1964", 120 feet West of the centerline of the levee, 51.4 feet East of the centerline of LA HWY 415, and 3.5 feet West of a yellow witness sign tied to a fence

Date: November 03, 2011

Monument Established By:
U.S. Coast & Geodetic Survey

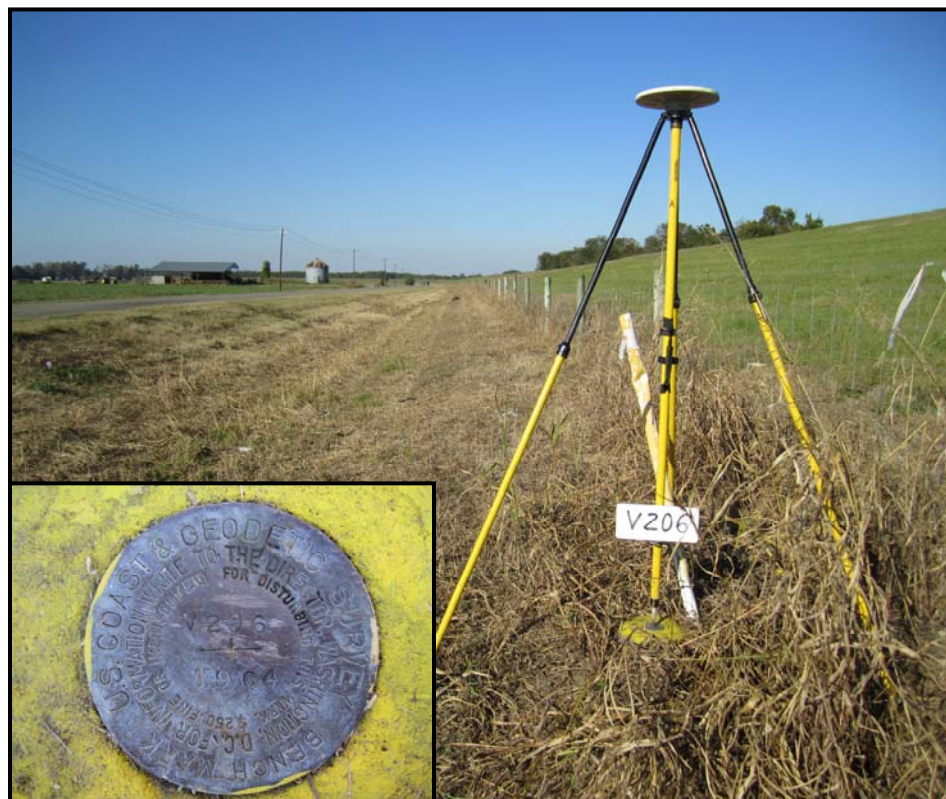

Surveyed NAD 83 Geodetic Position*

Lat. 30 37 11.31205 N
Long. 91 18 54.75743 W

Surveyed Grid Position (LSZ 1702 ft) *

N: 770,908.43
E: 3,286,534.17

Surveyed Elevation (ft) *
OPUS NAVD 88 (Geoid09)
Elev. = 32.74

* The surveyed information referenced above is the mean of multiple static GPS observations uploaded to NGS for OPUS processing utilizing the Geoid09 model.
