SCAN ME

The training is designed to support and enhance trial skills for CINC attorneys. We welcome assistant district attorneys, Bureau of General Counsel, children's attorneys, and parents' attorneys of any experience level. You must attend both days.

The training delivers comprehensive information about the art of CINC courtroom advocacy. Topics include discovery, direct examination, cross-examination, expert witnesses, exhibits, objections, and closing argument. Participants will have the opportunity to practice direct and cross-examination skills and receive feedback from experienced Louisiana CINC attorney trainers.

September 2024 Training
