The mission of **Albuquerque School of Excellence** is to provide a safe and collaborative environment which will cultivate the academic and social development for all students regardless of their socio-economic status by emphasizing math, science, and technology for the purpose of students setting and meeting higher education goals.

The vision of **Albuquerque School of Excellence** is to enable students to succeed in school and have options to enter math, science and engineering careers. ASE is a college preparatory charter school focusing on math, science, and technology. Members of ASE believe that excelling in math and science prepares youth to succeed in college, the workplace, and the 21st century.

Statement of Accessibility: Agenda and Minutes are available on our website.

If you are an individual with a disability who is in need of a reader, amplifier, qualified sign language interpreter or any other form of auxiliary aid or service to attend or participate in the meeting, please contact Kristine Pena at (505) 312-7711 or kpena@abqse.org at least three (3) days prior to the meeting or as soon as possible. Public documents, including the Agenda and Minutes, can be provided in various accessible formats. Please contact Kristine Pena at the phone number or email address above if a summary or other type of accessible format is needed.
