

Plan for Implementing Enhanced COVID Safe Practices (CSPs)

to safely provide in-person learning with rising COVID cases

If the school has 3% or more of its students and staff on campus while infectious in the past 14 days, it is strongly encouraged that the school implement this plan. If the school reaches 5% or more, it is required to implement this plan.

The COVID virus transmits primarily through aerosols in the air. CSPs should reduce exposure to aerosols. While it remains important to maintain clean facilities, extreme efforts to clean surfaces (such as spraying playground equipment between uses) is unlikely to significantly impact transmission rates. Another CSP that may not yield benefit in relation to its cost is using plexiglass or dividers.

Place an X in the current or enhanced columns to indicate if a CSP is currently implemented or will be an additional CSP added with increased case counts.

| | Current | Enhanced | COVID Safe Practices |
|---|---------|----------|--|
| 1 | | X | Universal masking indoors |
| 2 | X | | Masks available for individuals who may need them on buses and at school |
| 4 | X | | Appropriate PPE is available for staff |
| 5 | | X | Social distance maintained to the extent possible |
| 6 | X | | Staff members with covid symptoms will be asked to get tested either at school or on their |

| | | | |
|----|---|---|--|
| 7 | X | Student surveillance testing program (describe) | Required for close contact |
| 8 | X | All classrooms and offices have fans with air purifiers. Filters are changed regularly. HVAC units also have an Ionization system installed | |
| 10 | X | Supervision is provided during transitions to ensure CSPs are followed | |
| 11 | X | Staff trained on Covid Safe Practices | |
| 12 | X | Seating charts for all classes and cafeteria | Teachers will have seating charts within Go Binders for all class sections. |
| 14 | X | Loading and unloading procedures for buses | Teachers sponsoring field trips are trained in CSPs and will ensure mask wearing by driver and follow proper distancing loading/unloading bus using seating chart. |
| 15 | X | Students and staff have access to hand-washing stations and/or hand sanitizer | Teachers sponsoring field trips are trained in CSPs and will ensure mask wearing by driver and follow proper distancing loading/unloading bus using seating chart. |
| 16 | X | Signage to encourage CSP implementation | |
| 17 | X | Staff screening on entering building | |
| 18 | X | Student screening on entering building | |
| 23 | X | Universal masking outdoors if required by administrators | |
| 24 | X | Student cohorting (describe) | Students are cohorted throughout the school day. Some cohorts mix for electives, special education classes, pull-outs, after-school clubs/tutoring, and outdoor recess (Secondary only). |
| 25 | X | Only essential visitors allowed | If community covid levels suggest this as a best practice. |

| | | | |
|----|---|---|---|
| 27 | X | Spectators at school events required to wear masks | If community covid levels suggest this as a best practice. |
| 30 | X | Suspension of all extra-curricular events (describe) | Extra-curricular events are permitted on a case-by-case basis. (Ex: Academic letter awards were allowed in person as student numbers and guest numbers were known.) |
| 31 | X | No large group gatherings (assemblies) | If Covid levels get to 5%, no extra-curricular events or school assemblies will be permitted if community covid levels suggest this as a best practice. Continue this practice if cases increase. |
| 34 | X | Visual cues to encourage social distancing | |
| 36 | X | Students move directly into classes/cohorts when arriving at school | |
| 37 | X | Teachers arrive prior to students | |
| 38 | X | Student dismissal staggered | |
| 39 | X | Recess times/spaces staggered to separate classes/cohorts of students | |
| 40 | X | Deep cleaning/disinfecting of facilities (describe) | Routine and daily schedule of cleaning for all areas. Dedicated cleaning staff for each building. |
| 43 | X | Vaccination event(s) at school | Scheduled for 10/28/2022 |
| 45 | X | Drinking fountains closed (water bottles filled) | Drinking fountains will be closed if case numbers suggest this as a best practice. Dispensers to fill bottles are readily available. |
