Nursing Department Supervisor

The Nursing Department Supervisor is responsible for the operational and administrative needs of the medical teams for the facility they are assigned to. This includes daily clinical assignments, workflow optimization, overseeing ordering and stocking for the clinic, facilitating team meetings, quality surveillance, and interdepartmental communications. This position has direct administrative oversight of other Registered Nurses, Medical Assistants, and Licensed Practical Nurses working with Medical Providers on the clinical teams. Responsibilities also include clinical sessions of direct patient care. Incumbent will be a Registered Nurse who is skilled in the ability to work directly with patients providing a continuum of nursing services including but not limited to drawing labs, providing vaccinations, obtaining a thorough assessment and history, and recording signs and symptoms in the electronic medical record as well as communicating to the provider.

Location: St. Roch & Mid City Neighborhoods of New Orleans

Requirements

- Louisiana Registered Nurse (RN) license in good standing
- BLS certification required
- Valid Louisiana Driver's License
- Leadership experience in a team lead, supervisor, or manager role & the ability to effectively manage staff
- Working hours vary and may include evenings/nights, some Saturday clinics and multiple locations.
- The Registered Nurse may be expected to work earlier or stay later during busier periods
- Effectively work with a diverse population
- Physical ability to participate in training sessions, presentations, and meetings
- Demonstrated technical & computer skills appropriate for the position
- Federal criminal background check
- 40 hour work week

Education Requirements

- Bachelors of Science in Nursing OR Associate's Degree in Nursing
- If hired, documented proof of highest level of education completed must be delivered on first day of employment

Preferred Qualifications

- Fluent in Spoken and Written Spanish
- Federally Qualified Health Center experience (FQHC)
- HIV/AIDS knowledge and patient experience
- Experience with the LGBTQ community
