## Job description

A Registered Nurse provides administrative direction for medical support services(including but not limited to RN's, LPN's, MA's). Is responsible for the delivery of comprehensive health care services under the direction of the Clinic Providers.

**Duties:** Conduct monthly and year-end inventories. Asses the use of and control ordering of medical supplies. Ensures all medial equipment is properly maintained and maintenance is documented. Communicate necessary information to staff. Hold monthly or more frequent meetings with staff to ensure information and staff education is communicated in a timely manner. Administer medical

treatment within limits of licensure, as needed. Ensure that the clinic, and school sites are operating and efficient. Participate in PR and outreach in the community on behalf of the clinic. Perform other assigned duties.

**Qualifications:** Comprehensive knowledge of all phases of health care delivery. Ability to evaluate nursing needs of patients. Ability to work with others and to effectively communicate, verbally and in writing. The ability to meet deadlines and to concentrate with close attention to detail. Organizes, priorities, and work independently, as well as schedule and produce work in a timely manner.

**Education:** Associates degree (ASN) and passing of the National Council Licensure Examination (NCLEX) for Registered Nurse.
