At CrescentCare, we bring caregivers and the community together as partners in health and wellness for all. Our experience builds on more than 30 years of impact through our founding organization, NO/AIDS Task Force. Now, as a Federally Qualified Health Center, we're taking that expertise and expanding it!

We now offer a broad range of health and wellness services for anyone and everyone who is seeking healthcare services in Greater New Orleans and Southeastern Louisiana.

CrescentCare's mission is to offer comprehensive health and wellness services to the community, to advocate empowerment, to safeguard the rights and dignity of individuals, and to provide for an enlightened public.

We provide an extensive benefits package & 11 paid holidays!

Benefits include, but are not limited to the following:

Medical, Dental, Vision, Life Insurance, Long-term Disability, Short-term Disability, Employee Wellness Program, 401(k), Paid Vacation and Sick time

Primary Care Physician

Practitioner is a Medical Doctor who is skilled in their ability to provide the full range of core primary care services including evaluation, diagnosis, history and physical exam, consulting, medication reconciliation, and provision of care to patients presenting to our health center. Practitioner is willing to work in a diverse environment such as that seen at a Federally Qualified Health Center, is comfortable working with People Living With HIV, the LGBTQ Community, patients struggling with opiate use disorder, and providing comprehensive care to cis-women. Practitioner keeps up with changing guidelines regarding general patient care and patient-specific clinical conditions. Discusses wellness and adherence with patients as necessary.

Clinical Practice Specific to this Position:

- Maintain a patient panel (after an appropriate introductory period) in line with agency standards & goals
- Work with medical leadership & quality council to implement quality initiatives into primary care practice
- Be willing to see (with appropriate guidance from provider peers/supervisors) patients urgently in the following areas: acute STI (with symptoms), HIV (rapid start), HIV post-exposure prophylaxis, Emergency Contraception, Hepatitis C (Medicaid – subscription plan), existing CrescentCare clients with urgent needs, and other areas of public health urgency deemed critical by CrescentCare
- Participate in Health Fairs, employee and volunteer health programs, immunization campaigns, and home visits as appropriate

Requirements

- Successful completion of an ACGME or AOA-accredited residency/fellowship in internal medicine, pediatrics, family medicine, or other specialty service provided by CrescentCare under its scope of services as a FQHC and defined on the HRSA Form 5A. Foreign equivalent training determined by CMO and Medical Review Committee
- Has admitting privileges with a hospital directly or a collaborative agreement with a physician who has admitting privileges

- Maintenance of BLS certification
- Maintains Board Certification in their area of practice (IM, IM/Peds, or Family Physician)
- Holds current Louisiana Medical Licenses without restrictions
- Ability to work flexible hours
- Some travel may be required.
- Must be willing to carry cell phone & be available to the medical team during business hours (when not on vacation/sick leave, etc.)

We are an Equal Opportunity Employer and do not discriminate against employees or applicants on the basis of race, color, national origin, ethnicity, citizenship status, religion, age, gender identification, pregnancy, marital or familial status, gender or sexual orientation, veteran or military status, physical or mental disability, genetic information, or on the basis of any other status protected by law, and in compliance with applicable federal, state and local laws.
