

At CrescentCare, we bring caregivers and the community together as partners in health and wellness for all. Our experience builds on more than 30 years of impact through our founding organization, NO/AIDS Task Force. Now, as a Federally Qualified Health Center, we're taking that expertise and expanding it!

We now offer a broad range of health and wellness services for anyone and everyone who is seeking healthcare services in Greater New Orleans and Southeastern Louisiana.

CrescentCare's mission is to offer comprehensive health and wellness services to the community, to advocate empowerment, to safeguard the rights and dignity of individuals, and to provide for an enlightened public.

We provide an extensive benefits package & 11 paid holidays!

Benefits include, but are not limited to the following:

Medical, Dental, Vision, Life Insurance, Long-term Disability, Short-term Disability, Employee Wellness Program, 401(k), Paid Vacation and Sick time

Psychiatrist

Practitioner is a Medical Doctor who is skilled in evaluation, diagnosis, treatment, and provision of consultation for patients presenting with mental, behavioral, addictive or emotional disorders, e.g., psychoses, depression, anxiety disorders, substance abuse disorders, developmental disabilities, sexual dysfunctions, and adjustment disorders. Includes general medical management of patients concurrent with psychiatry privileges. Assess, stabilize, and determine disposition of patients with emergent conditions consistent with Clinical Staff policy regarding emergency and consultative call services. The incumbent collaborates with other health care providers, social workers, and other professionals to discuss treatment plans and patient progress.

Requirements

- Graduate from medical school approved by the Liaison Committee on Medical Education of the American Medical Association OR the American Osteopathic Association OR possess certification by the educational Council for Foreign Medical Graduates (ECFMG).
- Successful completion of an ACGME or AOA-accredited residency/fellowship in Psychiatry, or foreign equivalent training, with a current specialty certification in psychiatry by the American Board of Psychiatry and Neurology (ABPN) or the American Osteopathic Board of Neurology and Psychiatry (AOBNP) or is in active participation in the examination process.
- Has admitting privileges with a hospital directly or a collaborative agreement with a psychiatrist or neurologist who has admitting privileges.
- Periodic hospital call or hospital emergency room coverage, if it is required by the hospital as a condition for obtaining hospital admitting privileges.
- Provision of individual emergency treatment when, (if the provider is already providing or undertaking covered services), such is a condition of employment
- BLS / ACLS certifications as necessary
- Ability to work flexible hours
- Holds current Louisiana Medical Licenses without restrictions

- Must have pertinent clinical experience within the past 2 years sufficient to demonstrate current clinical Psychiatry proficiency. Child psychiatry experience desired.
- Necessary technical skills to use Agency's electronic health record, incident reporting system, email, and other information systems.
- Work with a diverse population as served by a Federally Qualified Health Center
- Must be willing to work a flexible schedule and weekend hours.
- May be exposed to infectious diseases
- Some travel may be required.
- Must be willing to carry a pager or cell phone during business hours

We are an Equal Opportunity Employer and do not discriminate against employees or applicants on the basis of race, color, national origin, ethnicity, citizenship status, religion, age, gender identification, pregnancy, marital or familial status, gender or sexual orientation, veteran or military status, physical or mental disability, genetic information, or on the basis of any other status protected by law, and in compliance with applicable federal, state and local laws.
