**About this form:** The Social Security Protection Act of 2004 requires state and local government employers to provide a statement to employees hired January 1, 2005, or later in a job not covered under Social Security. Your earnings from this job are not covered under Social Security (i.e., you will not pay Social Security taxes). This means that you will not earn credits for Social Security retirement or disability benefits in this job. If you retire or become disabled, and you are eligible for a Social Security benefit based on other work, your earnings from this job will not be used to compute your Social Security benefit. In addition, Social Security will not consider these non-covered earnings for your future potential calculation of survivor benefits based on your earnings. Your earnings from this job are subject to Medicare taxes and will count for the purposes of the Medicare program.

**I certify that I have received TRSL Form 2SS (Form SSA-1945) and understand that the earnings for this job are not covered under Social Security and will not be used to determine eligibility to or the amount of my potential Social Security Benefits.**
