**Apply to Mo/Yr:** Actual month/year for which the contribution payments are being made

**Type:** S = Sheltered; U = Unsheltered; I = Interest (Sheltered and Unsheltered applies only to members' contributions.)

**Line 1:** Members' total Sheltered contributions must be entered on this line.

**Line 2:** Members' total Unsheltered contributions must be entered on this line.

**Line 3:** Employers' share of contributions must be entered on this line.

**Line 4:** Interest for delinquent payments of contributions must be entered on this line.

**Prior Year:** If Prior Year, allocate amounts for each contribution type. No month/year classification is required.
