

MBS Sunday Message – March 8, 2026

From the Principal's Desk

The Lenten journey is one of my favorite Liturgical seasons that we celebrate at Most Blessed Sacrament School. While Lent is meant to be a somber, reflective season, there are signs of community everywhere – filled church services, lines of people waiting to participate in the Sacrament of Reconciliation, St. Joseph Altars, Families enjoying the Men's Club Lenten Dinners, sounds of little voices talking about the things they have given up for Lent, and my absolute treasured times are looking out of my window and watching the students praying the Way of the Cross. All of these moments gently lead our hearts toward the great mystery at the center of our faith—Jesus giving His life for us and rising again so that we can be saved. Through prayer, sacrifice, and community, Lent prepares us to remember His love and to rejoice in the great gift of His Resurrection.

In Christ,
Mrs. Cheri Gioe

Discussion Questions:

- What can we learn when we “walk in someone else’s shoes”?
- Why is it important to show humanity to others?
- In the video, what motivated Romelo to purchase shoes for Melvin?
- How can someone show compassion and humanity towards others in this classroom?
