

From the Principal's Desk

Happy Easter! I hope everyone is ready to end the school year rejuvenated and ready to work.

On Saturday, our family celebrated the life of my precious mother-in-law, Honey. Honey spent the last twelve years of her life battling Alzheimer's disease. The priest who celebrated her funeral Mass shared that God is Love and Love is eternal, therefore because God is eternal, Honey will live eternally wrapped in God's love. He went on to say that through God's love, Honey's love will be with us eternally as well. What a beautiful and comforting thought to know that we are wrapped in Honey's love through God's eternal love and grace.

This Easter, through Jesus' resurrection, may you also experience God's eternal peace and love and the love of those who have gone before us.
