**Date-of-birth verification documents on reverse side.**

Verification of your date of birth is required as part of your application for beneficiary or survivor benefits. The best evidence is one of the following:

1. A birth certificate or hospital birth record established during the first few years of life and certified by the custodian of the record, or
2. A church baptismal record established during the first few years of life that shows the date of birth.

If you do not have either of these records in your possession, try to obtain one. If a church record was made of your birth or baptism, it is probably still on file at the church. If you cannot obtain one of the documents listed above, furnish at least two of the documents listed below. Try to obtain a record that was established early in life. Additional evidence of age may be requested if the documents you submit are not sufficient.

1. A school record of enrollment in two different schools on dates at least five years apart should be acceptable as two different records. Records must be signed by the principal of the school or superintendent of schools. Records are not acceptable if signed by a teacher.
2. A state or federal census record (established near your date of birth)
3. A statement showing the date of birth signed by the physician or midwife who was in attendance at the birth
4. A notarized copy of the birth entry in a family Bible
5. An insurance policy that shows age or date of birth
6. Marriage record that shows age at the time of marriage and the year it took place. This record must be at least 20 years old.
7. A passport
8. Certified military service record
9. A child's birth certificate that shows age of parent(s)
10. A record from the Social Security Administration verifying date of birth
11. Any dated legal document, at least 20 years old, that gives the individual's age or date of birth. Acceptance is subject to approval of the Board of Trustees of the Teachers' Retirement System of Louisiana.
12. A driver's license

In addition to the documents listed above, the following documents, for those born in a foreign country, may be submitted:

1. A foreign passport
2. An immigration record established upon arrival in the United States
3. A naturalization record (citizenship paper)
4. An alien registration card
