- Employers also pay contributions toward your retirement; the amount is based upon plan type.

- TRSL pools and invests employee and employer contributions.

- Investment earnings fund your lifetime retirement benefits.
State law defines the benefit formula used to calculate the maximum TRSL benefit for which you are eligible:

Service credit<br>For benefit calculation purposes

FAC<br>Final Average Compensation

Benefit factor<br>(2.0% or 2.5%)

Maximum TRSL benefit
How you earn service credit

• Service credit is based on the amount of time you work and contribute to TRSL.

• You earn 100% of a year for each full contract year worked.

• You cannot earn more than 1.00 year of service credit in a 12-month period (July 1-June 30).

• It is rounded to the closest one-tenth of a year (not to exceed 100% of a year) only at the time of retirement or entering DROP.

• Members can earn credit for part-time employment.
## Final Average Compensation (FAC)

<td>State law places a <strong>15% cap</strong> on salary increases in each of the <strong>5</strong> years used to determine the average compensation.</td>
</tr>
</tbody>
</table>

**NOTE:** Salary cap does not apply to increases given by legislative acts (state raises) or city/parish/college/university system-wide increases. There is also a 25% limit on salary increases for the 12 months during which a classroom teacher changes employment to that of a classroom teacher in another parish.
Benefit factors

- The benefit factor used to calculate your retirement benefit is based on TRSL plan membership and date of enrollment.

Purchases & transfers of service credit

- Service credit can be purchased for eligible periods of service for which you do not already have TRSL service credit:

  - Refunded service credit
  - Military service
  - Actuarial purchases
  - Actuarial transfers
  - Reciprocal recognition of service credit

NOTE: Any purchases, transfers, or reciprocals must be completed before the effective date of your retirement or DROP participation.
Purchases & transfers of service credit

• For purchases, members will need to submit a nonrefundable calculation fee that should accompany the application.
  » Calculation fee not required for purchases of refunded service credit and USERRA service credit.

• TRSL’s actuary calculates the liability of TRSL having to pay out a benefit sooner than expected. In general, the closer you are to retirement eligibility, the cost to purchase will be greater.
Refunded service credit

• Withdrawn TRSL contributions (all or a portion) can be restored.
• There is no actuarial fee (cost calculated by TRSL staff)
• Cost to restore = amount withdrawn + interest (annual rate of 7.50%*, compounded daily) *as of 7/1/17

PLEASE NOTE: If you plan to purchase service credit, it must be certified by your employer before you retire.

Leave credit: Sick leave

- Unused sick leave cannot be used to attain eligibility for retirement.

- However, at the time of retirement, unused sick leave may be converted to service credit.
  - This can increase your monthly retirement benefit.
  - TRSL makes this conversion after you have retired.

- School boards pay up to 25 days of unused sick leave at the daily rate of pay, or the number of unused days at the discretion of the employer.
Leave credit: Annual leave

Employees of Louisiana state agencies, colleges, universities, community colleges, and technical colleges may receive credit for unused annual leave at no cost, with certain restrictions.

- Members who earn annual leave are usually paid up to 300 hours or 37.5 days of annual leave by their employers upon termination of employment.

- The number of days for which a member is paid is deducted from the number of days certified as unused by the employer.

- Members who were first eligible to retire after June 30, 1990, can convert unused annual leave earned after that date to service credit by purchasing the leave at actuarial cost.
Types of retirement offered

• **SERVICE:** You stop working and begin receiving your lifetime monthly retirement benefit.

• **DROP:** You “freeze” your retirement benefit and continue to work for up to 36 months, building a retirement nest egg. You terminate employment (retire) some time after the completion of DROP participation. Upon termination of employment, you are eligible to withdraw from your DROP account plus receive your regular lifetime monthly retirement benefit.

• **ILSB:** You retire, receive a lump-sum payment of up to 36 times your monthly maximum benefit, and receive an actuarially reduced lifetime monthly retirement benefit.
Types of retirement offered

- **DEFERRED**: Members with at least five years of service credit may terminate their positions and leave their contributions with TRSL. Once eligible, inactive members can apply for a TRSL retirement benefit based on their years of service credit.

- **DISABILITY**: If you are no longer able to perform your current job due to a disabling condition, you can apply for a TRSL disability retirement. It must be approved by the State Medical Disability Board.
Deferred Retirement Option Plan (DROP)

- DROP is an optional program that allows you to freeze your retirement benefit. Your monthly benefit is deposited each month into a special account at TRSL while you continue to work and earn a paycheck.

- You can participate in DROP for up to a maximum of three years once your DROP “window” of eligibility opens.

- You can shorten, but not extend your DROP participation time. (Minimum participation time is 1 day.)

- The “frozen” benefit is calculated based upon years of service credit and average compensation upon entering DROP.

- Your decision to participate in DROP is irrevocable.
What is the DROP window?

The DROP window refers to the 3-year period (plus a 60-day grace period) of time you can participate in DROP, starting from your first day of eligibility.

This period is your **ONE-TIME** opportunity to participate in DROP during your career.

It is important to find out the **EXACT DATE** you first become eligible for DROP.

For more information about DROP (including DROP eligibility), please review our DROP brochure and/or watch our “Understanding DROP” webinar on demand at www.TRSL.org.
If you die during active service, survivor benefits (based on the amount of service credit) may be payable to your spouse and/or minor children.

If you are not vested, no survivor benefits are payable; however, your accumulated member contributions will be paid in a lump sum to your named beneficiary or succession.
Most payments or benefits received from TRSL are considered community property:

» Regular retirement benefits
» Refunds or contributions
» DROP or ILSB withdrawals
» Death benefits

• The court system ultimately determines which funds or payments are considered community property.

• TRSL will not pay benefits to an ex-spouse without court documentation.
Louisiana does not pay into Social Security for the majority of its public employees. However, you may still be eligible for Social Security through other employment or through your spouse’s employment. The type of Social Security benefit you are eligible for determines which offset provision applies to you.

» Government Pension Offset (GPO) - 1982
» Windfall Elimination Provision (WEP) - 1985

TRSL benefits are not reduced. For detailed information about your Social Security benefit, please contact the Social Security Administration at www.ssa.gov
TRSL is a defined benefit plan, which guarantees a benefit based on a formula, not your contributions.

If you have any purchases or transfers of service credit, this could increase your retirement benefit. You would want to consider this earlier in your career than later.

If you are interested in participating in DROP, find out the EXACT DATE you first become eligible for DROP so you do not miss your “DROP window.”

Since Louisiana does not pay into SS for the majority of its public employees, your SS benefit may be reduced upon your TRSL retirement. Your TRSL benefit will not be reduced.

Roadmap to Retirement

**About TRSL**
TRSL is the largest retirement system in the state. It’s a defined benefit plan which means your retirement is funded by contributions made by you & your employer, plus investment earnings. TRSL members do not participate in Social Security.

**Purchases & transfers**
You can purchase or transfer certain types of eligible service to enhance your retirement. If possible, do this early, it gets more expensive the later you wait.

**Being vested**
With 5 years of service credit in TRSL, you are vested & may be eligible for certain benefits, such as survivor benefits, disability retirement, & deferred retirement.

**Considering DROP?**
The Deferred Retirement Option Plan is an optional plan where you can build a retirement nest egg (separate from your monthly TRSL retirement benefit) while you continue to work.

**Eligibility to retire**
TRSL members must meet certain age & service credit requirements to retire or enter DROP. These criteria are based upon when you first became a member & the plan you are in - Regular Plan, Plan A, or Plan B.

**Sick leave**
At retirement, your eligible unused sick leave can be converted to service credit to increase your retirement benefit.

**Checklist**
- Visit www.TRSL.org
- Sign up for Member Access
- Follow us on social media
- Learn about your benefits
- Check beneficiary on file
- Think about your future
- Attend a TRSL workshop
