But First....

About Kenilworth

Our Mission

Kenilworth Science and Technology Charter School creates a safe, healthy and student-centered learning environment that cultivates the knowledge and skills necessary for academic excellence, STEM careers and character development.

Our Vision

Kenilworth Science and Technology Charter School's vision prepares students for high school, college and competitive career opportunities through an innovative approach and a challenging STEM-focused curriculum with the goal of empowering students to become productive and responsible citizens.

Virtual and Hybrid Options

Kenilworth will offer only hybrid or virtual models for the 2020-2021 school year.

- Parents will choose fully virtual or hybrid with a commitment survey closer to in person start date
- HYBRID: Instruction via a combination of face-to-face and virtual models
 - To start after Labor Day
- VIRTUAL: Instruction via a 100% virtual model with either synchronous and/or asynchronous learning

Table I - Sample Weekly Schedule for Hybrid Model

	Monday	Tuesday	Wednesday	Thursday	Friday
Group A	On-Campus	At-Home	On-Campus	At-Home	At-Home
Group B	At-Home	On-Campus	At-Home	On-Campus	At-Home

Information About Starting Virtually August 10th

 - Clubs

Safety for Hybrid Students

Monitoring Your Student's Health

At Home:

- Fever 100.4 or higher-keep at home and alert the school
- Sore throat, cough, shortness of breath, diarrhea, headache-keep at home and alert the school (student may have no symptoms)
- Parents are encouraged to get student tested for Covid and student may not return until cleared by a doctor (doctor's note)

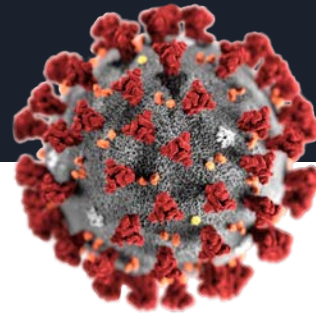

At School:

- Temps taken daily (on arrival and dismissal and more often if needed)
- If any signs/symptoms present, student will be taken to the isolation room and parent will be called to pick up student and are encouraged to get student tested for Covid
- Student may not return until cleared by a doctor (doctor's note)

Hygiene Protocols

Preventative measures for Covid:

- Social distancing of six feet apart at all times (on buses, in school)
- Students will not switch classroom
- Wearing masks (cloth recommended by Centers for Disease Control)
 - School will provide at least one fabric mask and will have disposable masks if a mask is forgotten by a student
- Washing hands or using hand sanitizer - if washing hands not possible
- Sanitizing stations in each classroom and in hallways
- Frequent cleaning/sanitizing by janitorial staff
- No use of water fountains (may bring water bottle: 12-13 ounces)
- Signs regarding Covid (s/s, distance measures, handwashing, etc)

Medication protocols:

- If your child will need to keep/take medications during school, please contact the school nurse at 766-8112 (9a-3p) or come to the school (9a-3p)

Academics

Virtual/Hybrid Expectations

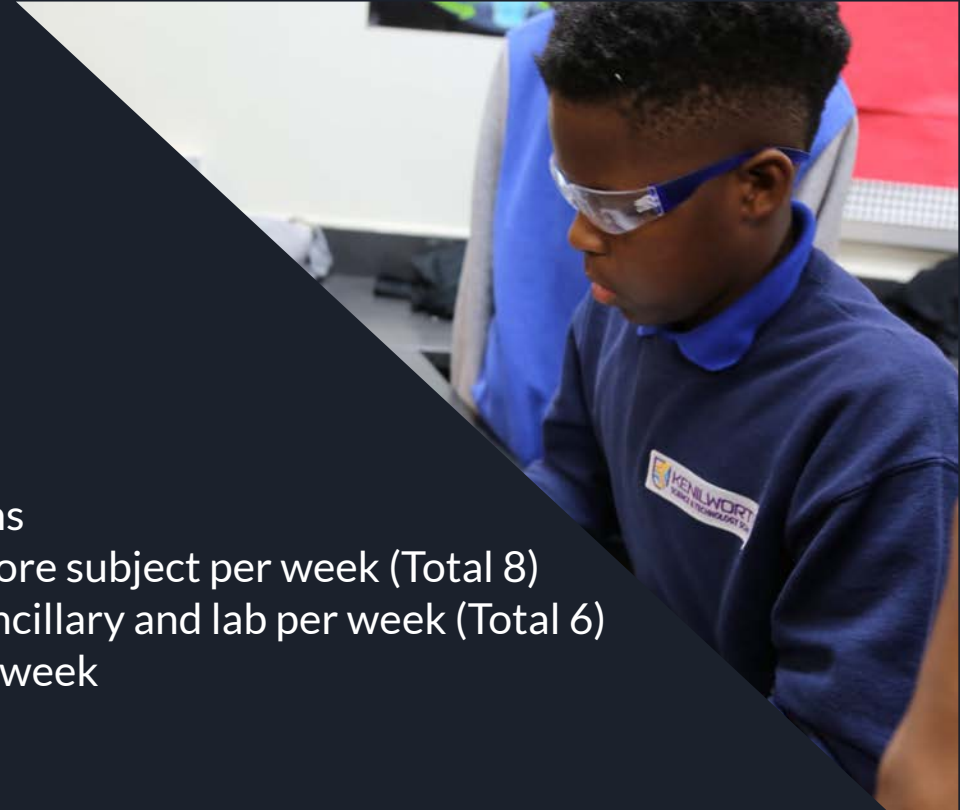

Attendance Expectations

Virtual

- We will take attendance for all live sessions
- Students must attend 2 live sessions per core subject per week (Total 8)
- Students must attend 2 live sessions for ancillary and lab per week (Total 6)
- Students must attend 14 live sessions per week

Hybrid

- Students will attend 2 live sessions for ancillary and lab per week (Total 6)
- We will take attendance for all live sessions
- If the student has an excuse to be absent, inform the front office

Virtual/Hybrid Expectations

Virtual Classes Expectations:

- Arrive to class on time and stay for the entire class
- Cameras should be on during live classes. Microphone should be muted.
- Students should be dressed appropriately
 - Be aware of background noise
- Parents and students should be mindful of conversations, music, and TV that are occurring during student's live sessions
- All live sessions will be recorded
- Further expectations and teacher expectations will be shared during the first days

Grading Policy

- Students will be graded for mastery as well as completion
- Students and Parents will be able to check grades through PowerSchool and Schoology
 - Parents should check grades at least once a week
 - Schedule meetings with teachers when needed
 - Make sure students follow deadlines for graded assignments - reach out to your teacher immediately if there are technology problems
- We follow a 7 point grading scale

7 point scale

A	93-100
B	92-85
C	77-84
D	70-76
F	Below 69

Distance Learning Tips

1. Make a schedule
2. Select a workspace
 - Find a quiet place where you can focus on work
3. Break up assignments
 - Not all assignments can or should be done in one sitting
 - Do some work every school day
4. Maintain open communication with teachers
5. Give yourself incentives and rewards for completing work and getting good grades
6. Take time away from your computer and phone over the weekend

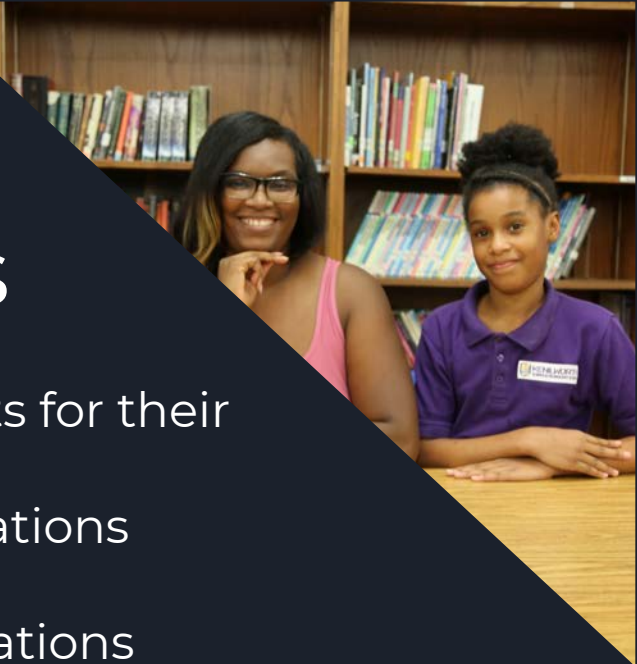

Support Systems for Students and Parents

At home and at school students will receive supports for their academics and behavior:

- Special Education Services and accommodations
- 504 plan accommodations
- English Language Services and accommodations
- Counseling Services
- SEL

Parents can see student work and grades using Schoology and PowerSchool

Teachers will have office hours to support parents and students
