

Many of you have asked about the premium list for the Magnolia Classic Cluster. I'm sorry to say that our superintendent has not yet posted it on the Onofrio website. I've included in this email essential information for the obedience and rally trials that was found on the AKC event calendar. Hopefully Onofrio will have the premium list posted soon. If you have any questions, please contact me at msstatekc@yahoo.com or call (601) 573-8133.

Payments will not be refunded.

NOTE: Bring your dog's information to the exam so the exam form may be completed properly. Required information includes dog's registration number, registered name, date of birth, sex, breed/variety, owner's contact information, and if applicable, permanent identification (via microchip or tattoo). The vets will dilate the pupils for exam (this usually takes about 30 minutes for the dilating drops to work and the effects last about 6 hours - it usually does not affect vision but can make the dog more sensitive to light following dilation.)
