

Bridal Portraits

at Nottoway Plantation

Thank you for your interest in having your bridal portraits taken here at Nottoway Plantation! The cost is \$400.00 plus a 15% taxable resort fee & a 9.45% tax (total of \$503.47) which includes: access to a bridal dressing room and four hours of interior and exterior shots on the grounds of the plantation. If you would like me to check a certain date, I can let you know our availability for that day.

We ask you to please be mindful of the tours going on in the mansion every hour, on the hour from 9:00am til 4:00pm. Tours begin inside the Mansion/White Ballroom, so you will need to exit that area while the tour is going on. All portrait sessions are subject to rescheduling if Nottoway books a wedding or special event on the same date. Weddings and events (especially in our White Ballroom) on property take precedence over portrait sessions and can be booked after a portrait session has already been scheduled.

- Photo Sessions are based on 4 hours of use of the interior and exterior of Nottoway.
- The 4-hour mark begins at the time you check into your dressing room.
- A dressing room is included in the bridal portrait fee
- 5 people including the photographer
- The charge is \$400.00, plus a 9.45% Tax & 15% Taxable Resort Fees (total of \$503.47). All portraits must be paid upon booking.
- Once your session is booked, you will be sent a portrait contract that you must sign and return.
- Wedding days are not eligible dates for portrait sessions.
- Portraits are booked a maximum of three months in advance. We do not book any farther out due to larger events booking on property.
- Nottoway does not provide a photographer.
- Between Thanksgiving and New Years, the interior and exterior of the Mansion is beautifully decorated with Christmas décor.

Feel free to call or e-mail any time if you have additional questions, or to schedule your bridal portraits. We look forward to hearing back from you and hope that you will visit Nottoway soon!
