Appointment Confirmation & Cancellation Policy

We understand that unplanned issues can come up, and you may need to cancel an appointment. If that happens, we respectfully ask for scheduled appointments to be canceled at least 24 hours in advance. Our providers want to be available for your needs, and the needs of all our patients. When a patient does not show up for a scheduled appointment, another patient loses an opportunity to be seen. Although we have always had a cancelation policy, circumstances have caused us to enforce our revised policy.

Cancelation Policy

After the second missed appointment or no show, the patient will not be allowed to schedule an appointment with our office for 6 months. The patient can only have same day appointments if available.

Confirmation Policy

If a patient does not confirm their appointment within 24 hours of the appointment time, they will be taken off the schedule, and their appointment slot will be filled.

As of March 8, 2017, this policy is effective. Thank you for being a valued patient, and for your understanding, and cooperation as we institute this policy. This policy will enable us to open otherwise unused appointments to better serve the needs of all patients.
