What is LCMC Health Link?

Health Link (EpicCare Link) is a secure web portal that connects you to information stored in our EMR for your referred and admitted patients. As your patients receive care from us, we'll send you notifications and updates.

Why sign up for LCMC Health Link?

You can place imaging and lab orders, refer your patients to LCMC Health facilities, and send messages to our providers directly from your browser. You no longer need to call or fax — we'll send you confirmations and patient updates in real time.

We'll notify you of:

- Lab, imaging and test results
- Hospital admissions
- Discharge summaries
- PACS images and scanned files
- Consultation notes
- Orders placed by our physicians
- Scheduled appointments from your referred patients
