MOTION CARRIED.

GASB 68 AUDIT REPORT: Controller Chris Kershaw presented the GASB 68 audit report for the year ended June 30, 2023, prepared by Duplantier, Hrapmann, Hogan & Maher. This report provides for the net pension liability for each parish Clerk’s office that will be included in their audit reports. Chris explained that the Clerks received an unmodified opinion. The total net pension liability was \$215,124,576, which has decreased from the previous year. Chris explained that GASB 68 does not affect the funding of the plan and that the Net Pension Liability will be very volatile since the market value of assets depends on a single year’s performance. A motion was made to approve the GASB 68 report as presented by Louis Perret. The motion was seconded by Jeff Skidmore. **MOTION CARRIED.** Chris noted that the report would be posted to the Clerks Association website.
