

Representing only the Industry Leaders...

- **Fans & Ventilators** - Varigreen Motors and Controls, Seismic and Wind-Rated, Smoke Exhaust Fans, HVLS Fans
- **Tempered Air Products** - Energy Recovery, DOAS Equipment, Indoor Air Handlers, MUA Units
- **Laboratory Exhaust Systems** - High Plume and Dilution Blowers, Energy Recovery and VAV Solutions
- **Kitchen Equipment** - Hoods, Grease Exhaust Fans, Make-up Air Units Controls
- **Dampers and Louvers** - Fire/Smoke Dampers, Control Dampers, Custom Louvers and Finishes

- **Air Distribution** - Registers, Grilles and Diffusers, Security Products, Industrial Products
- **Terminal and Fan Coil Equipment** - Single Duct, Fan-Powered, Horizontal/Vertical FCUs
- **Sound Control** - Absorptive, Round, Rectangular, Elbow, Custom Silencers, Acoustical Panels and Enclosures
- **Critical Environments** - OR Suites with Access Ceilings, HEPA Diffusers

Thermally Powered VAV Diffusers

Jet Diffusers, Punkah and Nozzle Diffusers

Ozone Technology to Reduce Grease and Odors in Ducts

Laboratory and Hospital Room Pressure Controls

Hazardous Gas Detection and Monitoring

Architectural Access Doors, Smoke Vents and Roof Hatches

Air Curtains and Fly Fans

Adiabatic and Isothermal Humidifiers

Textile Air Dispersion Products

Filter housings and frames, Air filters

Variable Frequency Drives and Motor Starters

Mini-Splits, VRF Systems

Packaged and Split DX Systems, Gas Unit Heaters

Electric Duct, Baseboard and Unit Heaters

Flexible Duct And Sheet Metal Fittings

Positive Pressure Boiler Flue, B Vent and Grease Duct

Vehicle and Welding Exhaust Systems, FRP Ductwork

Bipolar Ionization Products

Flow Control Valves and Coil Connection Kits

Electric Radiant Heaters

Single & Double Wall Round, Oval and Specialty Duct

Pre-Insulated Exterior Duct Systems

Dryer Fans, Gas Flue Fans and Control Systems

Commercial Destratification Fans and JetVent Fans
