Receiving Notifications

After enrollment, parents began receiving notifications regarding your child's grades from "RenWeb Support."

Do you want to change the frequency of these notifications? From your desktop, login to FACTS, then go to:

- Family Home
- Online Filing Cabinet
- Custodial Parent Form
- Parent Preferences
- Auto Email Gradebook Progress Report

Select: Daily, Weekly, Never

NOTE: the RENWEB app is not the same program as the desktop version we use. It looks similar, but the functions are not the same.

The Notifications won't stop!

Ok, so the Parent Preferences Portion is not ENTIRELY working (you probably already figured that out).

So, if you are still receiving notifications and you don't want to, set up a rule in your email for that Sender to go automatically to your TRASH.

Voila! No more!
