

Summer Math IXL

Outgoing 4th Grade/Incoming 5th Grade

The following Math skills should be reviewed over the summer to prepare for 5th grade. Complete a minimum of 200 minutes with 80% accuracy or higher. Modules with a lower accuracy than 80% will not be counted.

- A. Number Sense #1-15, #18-21, #25-27
- B. Addition #1-11
- C. Subtraction #1-9
- D. Multiplication #1-8, #37-42
- E. Division #1-5, #10-12, #17-21, #25-30
- F. Mixed Operations #1-6, #14-15, #19
- G. Variable Expressions #3-5
- I. Data and Graphs #1, #6, #9
- J. Logical Reasoning #1-4
- K. Patterns and Sequences #1-9,
- L. Money #1-7
- M. Units of Measurement #1-3
- O. Fraction Equivalence and Ordering #1-5, #7-9, #11-17, #19, #22-26
- P. Add and Subtract Fractions with Like Denominators #1-9, #11-20
- Q. Add and Subtract Fractions with Unlike Denominators #1-7
- R. Multiply Fractions #1-8
- S. Decimals #1-12, #14-16
- T. Add and Subtract Decimals #1-8
- V. Two Dimensional Figures #3-4
- Y. Angles #1
- AA. Geometric Measurement
