

Dear Parents,

In order to solidify understanding of key concepts and get ready for first grade, children will complete the IXL Summer Boost program while they are out of school for the summer. This plan includes 20 days of skills with 1 skill per day. Children will need to complete each skill with an 80% or higher smart score. This must be completed by the first day of school, August 7, 2024. **Upon returning to school in August, this will count as a 5 point quiz grade in Math.**

You will find the list of skills on the next page along with a link that will take you to the skill plan.

Enjoy your summer! We can't wait to meet you in the fall!

Ms. Chester, Mrs. Hebert, and Mrs. O'Neal

IXL Summer Boost Rising First Graders Skills

<https://www.ixl.com/math/skill-plans/ixl-summer-boost-grade-1>
