

Summer Reading 2024

Most Blessed Sacrament Catholic School requires students to participate in summer reading. Please see the following information regarding the summer reading program.

- Students are asked to read the book(s) assigned for the grade level they will be entering in 2024.
- Upon returning to school, students must be prepared to participate in **graded** activities that pertain to their grade level's summer reading book.
- **6-8 Grade students must read 2 books. Both** must be chosen from the choice options.
- All books are Accelerated Reader books and students are encouraged and allowed to take the AR test on the book if they haven't already done so. They will not be able to take the AR test a 2nd time.

We thank you for supporting your child's reading and our summer reading program.
