Volunteer Positions

We have several openings for parents to volunteer their time and talent. Some openings are for the following committee co-chairs:

- **Fun Run** - This is the school's largest fundraiser. You would work with the existing Co-chair to design and execute the components of the fun run day. You will also help to hand out prizes over a two-week time frame. If you love MBS and want to pump the kids up for prizes and a fun run, then this committee is for you! It takes place in November.
- **Hospitality Committee** - This Committee of three is responsible for Grandparents Day. You will brainstorm with Mrs. Gioe on what activities can be held and food served to make this event memorable for the grandparents. You will also create a signup genius to help recruit volunteers for the day. It happens in November. Committee is also responsible for planning Back to School Night. Gathering door prizes, setting up refreshments, setting up the tables. This happens in August. This committee is also responsible for providing refreshments for the 8th grade science fair judges.
- **May Crowning** - This Chairperson will work closely with Office of Christian Formation to coordinate this special Mass. You will create sign-up genius to recruit flower gatherers, and organize the staging of the flowers around the statue of Mary. It takes place in May.
- **Spirit Store.** This is a new committee we plan to pilot next school year. This committee will manage orders for the spirit store, come up with potential items to sell, and with the help of the executive board set up a table to sell items at certain MBS events. Committee chairs will have the opportunity to make it their own and shape how we want to make the spirit store available to the MBS community. **The executive board will be available to the chairs next year to develop this committee**

Athletics can be an important part of a young person's life. It teaches discipline and self-pride while helping one realize the importance of cooperation. Athletics are a component of, and interact with, the spiritual, social, and academic components of the overall school program. MBS recognizes that support from the administration, faculty, staff, coaches, parents, and fans are necessary in providing a positive Catholic athletic experience for the student-athlete. Athletes, parents, and fans are a direct reflection of MBS and should adhere to the philosophy of the school by always acting in a dignified manner.
