Tonight's Lesson: "Trust In The Lord"

Primary Text: Isaiah 40:27-31

Introduction

One of the realities of every child of God is that we will face tough times in life. None of us will ever be able to escape challenges and trials that bring stress, frustration, and at times doubt. Even though we can't escape when and how this takes place, we can control how we respond to them. Tonight, we will look how we can continue to Trust in the Lord when life gets tough.

When is it challenging to Trust in The Lord?

- A.) When we feel **isolated**.
- B.) When we feel **alienated**.
- C.) When we feel **ignored**.
- D.) When we feel **abandoned**.

Why should we always Trust in The Lord?

- 1.) His **Attributes** (v. 28)
 - Psalm 121:4
 - Psalm 147:5
- 2.) His **Ability** (v. 29)
 - Isaiah 40:9-26
 - Philippians 4:11-13
 - 2 Corinthians 12:9-10
- 3.) His **Assurance** (v. 29-31)
 - Job 13:13-19
 - 2 Corinthians 4:7-18
 - Isaiah 41:8-10
 - Proverbs 3:5-6

Big Idea

In every season, situation, or circumstance, we must be confident that we can *always trust in the Lord*. There is great comfort in knowing that the Lord cares for His own, and that He will *always* be in control.
