CONDITIONAL

Conditional means to meet or grant one or more request when the requirements or conditions are met. There is a providence of God that extends only to believers. This is known as conditional providence.

(Provide is in the word Providence), meaning God will provide for the needs of His people when we meet certain conditions. Before He extends His grace, the key areas Believers must meet are: 1st – Pray, 1st John 5:14, 2nd – Faith, 3rd – Obedience, Psalm 128:1. These are key components in God granting our request.

Background: King David wanted to build God a temple, but God denied him. He granted his son Solomon to build it in Jerusalem, 2nd Chronicles 6:7-9. It took seven years to build a million square foot temple at an estimated cost of thirty million dollars. Once the temple was complete; Solomon stood before Israel to pray.

Prayer of Dedication Request

Solomon had a prayer of dedication to God for the new temple. In his prayer he made a request to God, (2nd Chronicles 6:24-30). Solomon knew Israel had the propensity to sin against God, but he prayed asking God to forgive Israel if they would repent.

Lesson is from 2nd Chronicles 7:12-14
