### **CONDITIONAL**

Conditional means to meet or grant one's request when the condition(s) are met. There is a providence of God that extends only to Believers. This is known as conditional providence.

(Provide is in the word Providence), meaning God will provide for the needs of His people when we meet certain conditions. Before He extends His Grace, the key areas Believers must meet are: 1<sup>st</sup> – Pray, *1<sup>st</sup> John 5:14*, 2<sup>nd</sup> – Faith, *Hebrews 11:6*, 3<sup>rd</sup> – Obedience, *Psalms 128:1*. These are key components in God granting our request.

**Background:** King David wanted to build God a temple, but God denied him. He granted his son Solomon to build it in Jerusalem, *2<sup>nd</sup> Chronicles 6:7-9*. It took seven years to build a million square foot temple at an estimated cost of thirty million dollars. Now the temple was completed.

### **Prayer of Dedication Request**

Solomon stands before Israel for a prayer of dedication to God for the new temple. In his prayer he made a request to God, (*2<sup>nd</sup> Chronicles 6:24-30*). Solomon knew Israel had the propensity to sin against God, so he prayed asking God to forgive Israel if they repented.
