"Committed To Live A Spirit-Filled Life"

In Sunday's sermon, I preached about the importance of Living A Spirit-Filled Life. In the sermon, I mentioned that a Spirit-Filled Life was a Commanded Life, a Committed Life, and a Commended Life. In tonight's Bible Study, I want to expound on the importance of being **Committed** in order to Live A Spirit-Filled Life.

I. Ten Biblical Principles We Should Be Committed To:
