TOPIC: Diseases of the Tongue – James 3:1-10

Introduction: The tongue is an unruly member of the human body and the only hope for the tongue is the Spirit of God. Words are the vehicle through which we communicate our thoughts, and the tongue is the driver. Moving in spiritual maturity requires that we learn to speak the right words, in the right season and for the right reason. Let us look at a few types of tongues.

The Lying Tongue – Proverbs 12:22

The Gossiping Tongue – Proverbs 18:8, Psalm 19:14

The Know-It-All Tongue – Proverbs 12:23

The Judgmental Tongue – Saint Matthew 7:1-2

The Complaining Tongue – Psalm 142:1

Conclusion: If you have these diseases, they will affect your life, relationships, fellowships and destiny. These diseases of the tongue lead to foot in the mouth disease. However, the Word of God strategically protects us from ourselves, and The Word helps us to purge our mouths from any remaining viper venom. Remember, “Death and life is in the power of the tongue” (Proverbs 18:21).
