BE THANKFUL

Those who serve in the United States Military allows others to experience freedom. What a reason to be thankful when we reap the blessings because of the sacrifices of others. Thank God for each of our men and women who served and is currently serving in the United States Armed Forces. We also should be thankful for a forgiving God. We broke His law by sinning against a Holy God and deserve death, **Romans 6:23a**. The Lord made the ultimate sacrifice, **Romans 6:23b** that we may experience a new life; not giving us what we deserve. Instead, He has shown us grace and mercy. That's a reason to be thankful, **Psalms 106:1**.

BACKGROUND: **Luke 17:11-12a**, Jesus was on His way to Jerusalem and passed on the outskirts of Galilee and Samaria entering into an unknown village. As believers there is no such thing as luck or coincidence. God orchestrated a divine intervention for Jesus to take that particular route. God knows our needs and how to meet us where we are. The lesson is coming from **Luke 17:12-19**.
