"KNOWING THE WILL OF GOD"

In last Sunday's sermon, "The Danger of Living Consistently Inconsistent," my last point was about the importance of knowing the "Righteous Will of God." In tonight's Bible Study we will expound on knowing The Will of God.

Definition: The Holy and stated purpose of God is to make His children more like Christ.

I. The Most Important Factor in Knowing God's Will is the Bible

1. Scripture declares that God has a definite will for our lives. *Psalm 37:23*
2. God desires us to know His will for our lives. *Ephesians 5:17*
3. God desires us to know His will all our lives. *Isaiah 58:11*
4. God's will is specific for our lives. *Isaiah 30:21*
5. God's will is profitable for our lives. *Joshua 1:8*

II. What Is God's Will for Us?

1. It is His will that we learn more about Him. *Colossians 1:9*
2. It is His will that we grow in Grace and Holy Living. *1st Thessalonians 4:3-5*
3. It is His will that we study His Word. *2nd Timothy 3:14-17*
4. It is His will that we share our Faith. *Acts 1:8*
5. It is His will that we make it into Heaven. *Matthew 7:21*

Brothers and Sisters, as I said on Sunday, the safest place in the whole wide world is in the Will of God!
