"JESUS IS HOLY"

To be Holy means to be separate, set apart and unique. God is Holy which means that His character is entirely unique and separated from the sins of this world. When God left Heaven and came to earth in the form of the man, Jesus (*John 1:1, 14a*) He was one without sin. He was in the world, but not of the world. Jesus was separate from the world making Him Holy. We live in a world that is scarred with sin. We see or hear about the results of sin every day. As Christians we are to be Holy, which means to be set apart from the things of the world. To do the work of God and live for Him, God is calling us to Holiness. (*1st Peter 1:15-16*).

1. Since Jesus is Holy, I will trust God's Word *Luke 5:1*
2. Since Jesus is Holy, I will surrender *Luke 5:2-3*
3. Since Jesus is Holy, I will hear the Word *Luke 5:4a*
4. Since Jesus is Holy, I will obey *Luke 5:4b*
5. Since Jesus is Holy, I will submit *Luke 5:5*
6. Since Jesus is Holy, Obedience brings blessings *Luke 5:6-7*
7. Since Jesus is Holy, I will Worship Him *Luke 5:8-11*
8. Since Jesus is Holy, I will follow *Matthew 4:18-20*

Conclusion: What are some things you are doing to be a follower of Jesus Christ? What changes did you make or making to be a follower? What hinder or stop people from following Jesus?
