Bible Prophecy – A Biblical View of the End Times

The next event to happen as far as Bible Prophecy is the “Rapture.” The Rapture is the event in which all who have put their trust in Jesus Christ will be suddenly caught up from the earth and taken into heaven by Him. It is set to occur at any time in the future.

The Rapture of the Church

I. Three Different Views of the Rapture

1. Pre-tribulation – All true Believers will be raptured before the Tribulation period.
2. Mid-tribulation – the rapture will occur after 3 ½ years of the Tribulation period.
3. Post-tribulation – the rapture will occur at the end of the Tribulation period.

I believe in the pre-tribulation view, that Believers will not go through the Tribulation.

II. Seven Important Truths About the Rapture

1st Thessalonians 4:13-18; Matthew 24:36, 44; John 14:1-3; 1st Corinthians 15:51-52

1. The Rapture is a sign-less event.
2. The Rapture is a surprise event.
3. The Rapture is a sudden event.
4. The Rapture is a selective event.
5. The Rapture is a spectacular event.
6. The Rapture is a sequential event.
 - The Return
 - The Resurrection
 - The Reunion
7. The Rapture is a strengthening event.

Brothers and sisters, no one knows the day nor the hour when Christ shall return. Therefore, the question of the hour is – Will you be ready when He comes?
