### **Our New Heaven and New Earth**

In this new Bible Study series, we will go into more detail of a place that will be our future heavenly home. My prayer is that this study about heaven will not only give us something to look forward to, but it will also uplift and encourage us as we walk through the trouble, trials, and tribulations of this world.

Brothers and sisters, this world is not our home, we are pilgrims passing through. Heaven is our forever home, where we will live in a resurrected body with a resurrected Jesus forever!
