**"HONORING GOD"**

Every human being is created for one purpose which is to glorify and honor God. From the Old Testament to the New, scripture repeatedly reminds us that God deserve our reverence, obedience, and praise. To honor God means to live in a way that shows deep respect and love for Him. It is more than words, it is about attitudes, actions, and priorities.

Honoring God is recognizing His worth and giving Him the place He deserves in every area of our lives. We are living in an era where people are living for God with their lips, but their hearts are far away from Him. God is seeking those who are living for Him through their lifestyles. When a person purchases a car, it is not about the car; it is about the owner of the car. The car was made for the benefit of the owner. The owner will take care of the car to receive longevity from the car, but its about the owner. When God created people, it was and still is about God. God takes care of His people to be a blessing to others, but it is all about God.

*(1<sup>st</sup> Corinthians 10:31)*

**Ways We Can Honor God:**

1. Through Our Love for Him
2. Through Obedience
3. Through Our Faith and Trust
4. Through Worship
5. Through Serving Others
6. Through Love for Others
7. Through Lifestyle

*Deuteronomy 6:5*

*John 14:15*

*Hebrews 11:6*

*John 4:23*

*Matthew 25:40*

*John 13:34-35*

*1<sup>st</sup> Corinthians 6:19-20*

**Closing:** Let us remember that honoring God is not just about what we say with our lips, but how we live our daily lives. We honor God through our obedience, our love, our worship, our service to others, and presenting our bodies and hearts as temples of the Holy Spirit. When we put God first in every decision, every relationship, and every action, whether big or small, it brings Glory to God.

May we leave today with a renewed commitment in such a way that others see Christ in us. When we live to honor Him, we reflect His light on the world and experience the joy of walking in His favor. So let us honor God with our lives that He may be glorified.
