CANDIDATE SCORECARD

SCHALYECE HARRISON	91% A
MARISSA HUTABARAT	90% A
AYLIN ACIKALIN	89% B

While the Greater New Orleans Housing Alliance (GNOHA) does not officially endorse any political candidates, we encourage voters to consider the scorecard as they go to the polls. GNOHA continues to challenge candidates to acknowledge the affordable housing crisis and the **#PUTHOUSINGFIRST** initiative by releasing a scorecard. GNOHA judged the candidates' responses and graded them accordingly. Since the First City Court controls and monitors the eviction process, we believe this position is an essential part of providing housing for people and families in need.
