RE: **2022 Medicare Open Enrollment**

Dear Sir or Madam:

Recently you received a letter from Renal Associates concerning Medicare Open enrollment. The letter indicated that Renal Associates would no longer be in-network with Humana Gold. This information is incorrect. **Renal Associates is and will continue to be in-network with all Humana Medicare Advantage and commercial plans, including Humana Gold.**

The only plan from Humana that Renal Associates is out of network with is the *Humana-Ochsner Network (HMO), RxGRP W4429*.

We sincerely apologize for any confusion the original letter may have caused. Please visit our website, www.renalassociates.com/resources, for additional information and links about open enrollment.

Sincerely,

Physicians and Staff
Renal Associates
