### DIFFICULTY, SURVIVAL, AND GLORY

In Revelation, John the Evangelist tells us what we can expect as followers of the risen Jesus: distress, endurance, and a kingdom. Although we are only eight days into our fifty-day Easter feasting, we cannot ignore the distress weighing down our daily lives. Jesus' resurrection does not erase individual suffering, but his glorious triumph over death cultivates endurance in our hearts. We remember that Jesus did not spare himself, and we ask for the strength to endure as he did. Imitating Christ helps us grow as members of God's royal family. As beloved citizens of the Kingdom of God, we recognize our kinship with all people. Peter demonstrates his care for others as he heals multitudes of broken, suffering people. In the Gospel, Thomas accepts his own spiritual healing when Jesus helps him to believe. In times of difficulty, survival, and glory, we borrow Thomas' declaration of faith: "My Lord and my God!"

### **Thankful During This Easter Season**

Our parish community is deeply thankful for all who serve with such dedication on our parish staff. We thank Deacons Don Musso, Mark Berard, and Mark Reynaud for their faithful service as well. We also thank those who are a part of our

beautiful and talented choirs/musicians, and the behind-the-scene people who conduct live-stream service.

As I've shared at Mass recently, Fr. Donald Blanchard extends his prayers and blessings to all of you as we walk through this Easter Season. He is grateful for your prayers and support as he continues in working through his health issues.

Happy Easter!  
*Fr. Phil*

### New Garden Mausoleum in St George Cemetery

We are pleased to announce that arrangements have been completed with American Cemetery Consultants, LLC to build the beautiful new Garden Mausoleum in St. George Cemetery. The program has the full approval of His Excellency, Most Reverend Michael G. Duca, Bishop of Baton Rouge.

Sales Representatives of American Cemetery Consultants will be contacting the families of St. George, St. Jude the Apostle, St. Patrick and Most Blessed Sacrament Parishes over the next few weeks to answer questions about the mausoleum and determine who is interested. The number of crypts selected before construction will determine the size of the mausoleum. Spaces are reserved on a first come basis; therefore, anyone seeking information about either mail in the postage paid reply card from the brochure mailer that was mailed to your home or call (225) 650-7513.

### Interested in a new method of Natural Family Planning (NFP)?

Vitae Fertility Education teaches the Marquette Method of NFP, a highly effective method of NFP that employs the Clearblue line of home-based fertility monitors to track women's hormonal changes throughout each menstrual cycle. It is 99% effective, backed by peer reviewed research studies, and taught by healthcare professionals. Tracking hormone levels directly gives you an accurate, objective measure of fertility, so you don't have to track mucus or temperatures. There are specific protocols for every stage - regular cycles, breastfeeding, and menopause. It even works if your cycles are irregular.

Your body is amazing. At Vitae Fertility Education we are passionate about empowering women and couples by teaching them how to read and interpret their natural fertile rhythms, allowing them to work *with* their fertility instead of suppressing it.

Feel free to reach out to your local instructor, Stephanie Hilgert, for free consultation, or visit our website at <https://www.vitae fertility.com>.
