Thirty-third Sunday in Ordinary Time November 13, 2022

THE END OF DAYS

As we prepare for next Sunday's feast of Our Lord Jesus Christ, King of the Universe, we hear descriptions of dire and catastrophic events. Sometimes it seems as though we ourselves are living in the end times, when life as we currently know it will cease for everyone. In answer to what must have been a fearful question, Jesus does not sugarcoat his foretelling of future days. Nor does the Old Testament prophet Malachi flinch from his pronouncements upon an evil world. Saint Paul, still writing to the Thessalonians, warns them prophetically against succumbing to "The End Is Near" syndrome—indolence in the face of the final days. However, both Jesus and Malachi speak of the recompense for living a just life—healing and vindication. Our Psalm 98, typically associated with Christmastime, helps us to rejoice for the King who is coming to rule with justice.
