

EXCEL

MARKETS WE SERVE

- Oil and Gas
- Power Generation/ Renewable Energy
- Chemical/ Petrochemical
- Agriculture
- Data Centers/ Mission Critical
- Semiconductor
- Mining
- Terminals
- Midstream
- Life Sciences
- Pharmaceutical
- Pulp and Paper
- Disaster Recovery
- Government

WHAT SETS US APART

PRIVATELY OWNED

- Agile
- Relationship Focused
- Decisive
- Innovative
- Long-Term Tenure

PEOPLE

- NCCER Certification
- Mentorship Program
- Leadership XL Program
- Empowerment Program

STRATEGY

- Performance-Based Contract
- Collaborative Team
- Coordination
- Employee Incentive Programs

FOOTPRINT

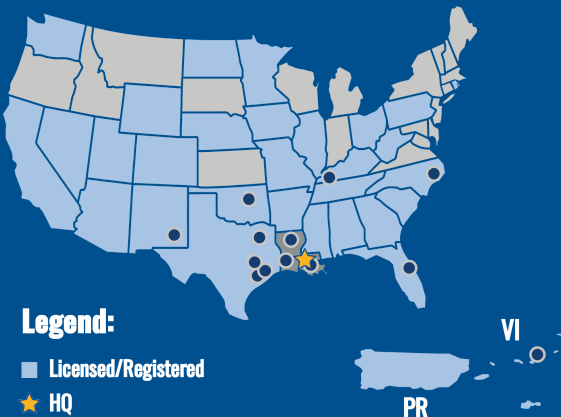

- Strategic Footprint
- Fabrication Facilities
- Certified Field Leaders
- IE Service Line Competence
- Multi-Site Mobile

TECHNOLOGY

- Corporate Engagement
- Field Auditing
- Near Miss Reporting
- Job Safety Analysis (JSAs)
- Digital Platforms
- Project Control Tools

OPERATING LOCATIONS

Legend:

- Licensed/Registered
- ★ HQ
- Operating Offices

SERVICE CAPABILITIES

CONSTRUCTION

CIVIL

Site Development • Underground Utilities • Equipment Foundations • Elevated Structures • Sumps • Area Paving • Walls • Basins • Impoundments • Tank Foundations/ Rings

STRUCTURAL

Pipe Racks • Unit Structures • Towers • Buildings • Electrical Support Systems • Repair & Modification • Modular Structures • PDC Setting and Removal

MECHANICAL

Piping Systems • Equipment Setting & Alignment • Vessel Setting • Heater & Furnace Erection & Repair • Vessels & Drums • Boilers • Specialty Welding • Turnarounds • Commissioning • Tank Repair & Testing • Specialty Services

ELECTRICAL & INSTRUMENTATION

Electrical Distribution • Power & Controls • Fiber Optics • Terminations & Testing • DCS Installation • Loop Check • Shutdown Systems • Switch Yards • MCC/Switchgear • Turnarounds

FABRICATION

Pipe Cutting • Lifting • Welding/Alloy Welding • Modular/Skid Fabrication & Construction • Fabrication Tolerances • Engineering • Execution & Delivery Hauling & Logistics

MAINTENANCE & TURNAROUNDS

Mechanical • Logistics & Product/Material Handling • Electrical & Instrumentation Specialty Services • Environmental Services • Planning & Scheduling Support • Piping & Valve Work • Open, Inspect & Repair • Reliability Program Support • Mechanical Integrity Support • Staffing Services • Specialty Welding Services • Management Services • Exchanger Slab Management • Janitorial Services • KPI Development & Tracking

DISASTER RECOVERY

Construction • Project Management • Logistics Management • Emergency Equipment Installation & Maintenance • Infrastructure Emergency Repair and Reconstruction • Industrial and Commercial Restoration • Housing Repairs and Reconstruction • Compliance with FEMA, HUD, and State and Local Regulations
