

Director's Corner

Happy fall y'all! The school year is well underway, and good things are happening. Picture day was so much fun, and all the kids did great. As soon as they come in, they will be distributed and sent home. Our twos and threes celebrated Johnny Appleseed Day by tasting red and green apples. We greatly appreciate everyone's help with our early dismissal Friday. Each year our staff completes 12 hours of continuing education. This allows us to better facilitate the center and give your child the best care and education they can receive. Thank you!
