GENERAL INFORMATION

By law, the Bossier Parish Clerk of Court shall not provide any legal advice on how to prepare legal documents. You will either need to speak to an attorney or research the Louisiana law books to determine what information should be included in the motion.

Once a Motion for Interim Expungement is filed with the Bossier Parish Clerk of Court, it will be forwarded to a Judge for review, and a hearing date may be set. You and/or your attorney must be present in court on that day. The Clerk of Court will mail a notice of the court date, so please include a valid mailing address on the original motion.

If the Judge grants the Motion for Interim Expungement, you must present him/her with the Order for Expungement of Arrest/Conviction Record to sign in open court.

If the Motion for Interim Expungement is granted, you must obtain certified copies of any filings needed. Certified copies are \$1.00 per page plus an additional \$5.00 for certification of each copy. Please be sure to obtain an adequate number of copies, as you may be unable to obtain copies once the files have been removed from the public record.

The State of Louisiana, the Bossier Parish District Attorney and the Bossier Parish Sheriff will be served with a copy of the Judgment, but you will be responsible for serving any other agency with information about your charge on file.

A Motion for Interim Expungement must be filed for EACH arrest.

Please allow 6 months for the completion of your expungement
