The information in this section is provided to help you determine an employee's eligibility for membership and the steps needed to enroll the eligible employee in TRSL.

State laws govern the rules of TRSL membership eligibility and enrollment. Some of them are referenced below:

- Definition of Teacher (eligible for membership) – [LSA R.S. 11:701\(35\)](#)
- Part-time Employee Membership Eligibility – [LSA R.S. 11:162](#)
- Enrollment Timeline (60 days) – [LSA R.S. 11:722](#)
- Retain Membership provision (at least 5 years service credit for eligibility) – [LSA R.S. 11:723](#)
- TRSL Secondary Employer Criteria – [Louisiana Administrative Code Title 58, Part III, §201](#).

This handbook summarizes these rules in less legalistic terms; however, it is not a complete description of the law. For a complete reference guide, refer to sections of [Title 11 of the Louisiana Revised Statutes](#) that pertain to TRSL.

Employers should keep the following responsibilities in mind when enrolling and reporting TRSL members:

1. You are responsible for checking the Member Summary screen in [EMIS](#) to verify a member's status in TRSL.
2. You are responsible for making the initial determination of an employee's eligibility for membership. The following pages explain the membership rules that currently apply. Please review these pages carefully when making your eligibility determination.
3. You are responsible for documenting your decision regarding a position's eligibility. Your documentation will help protect you in case questions arise about a decision you have made.
4. You are responsible for regularly reviewing the determinations you have made. By doing so, you can ensure that you are reporting correctly.
5. All employers are responsible for reporting eligible members and retirees returning to work from the first day of hire.

Eligibility for TRSL membership

An employee's position (or job) and employment status (full-time, part-time, seasonal, temporary) are key elements in determining his/her TRSL membership eligibility.

Mandatory enrollment is required for all employees who meet eligibility requirements, with two exceptions (see note below). Contributions on all earnable compensation must be withheld from the first day of paid service.

Note: As of July 1, 2025, first-time TRSL-eligible employees who meet either criteria below may opt out of membership in TRSL:

1. At least age 60 when first employed in a TRSL-eligible position, or
2. At least age 55 with 40 quarters in Social Security when first employed in a TRSL-eligible position.

Eligible employees who decline membership in TRSL must complete sections 1, 2, and 3 of the [Opting out of TRSL Membership Form \(Form 17\)](#). The employer must complete Section 4 and send TRSL a copy of the form.

Plan types

TRSL administers three different membership plans: Regular, Plan A, and Plan B.

Members of the **Regular Plan** are employees that meet the legal definition of "teacher" in accordance with [Louisiana Revised Statute 11:701\(35\)\(a\)](#).

Members of **Plan A and Plan B** are school food service workers whose salary is paid through school food service funds.

- **Plan A** school food service employees are employed in parish school systems that have withdrawn from Social Security coverage.
- **Plan B** school food service employees are employed in parish school systems that have not withdrawn from Social Security coverage. These parishes are sometimes referred to as "[Plan B parishes](#)." These employees pay into TRSL and Social Security.

Plan A and Plan B became part of TRSL on July 1, 1983, when School Lunch Employees' Retirement System merged with TRSL.

Employers can use the [Determining Non-retirees' Eligibility for TRSL Membership flowchart](#) as a resource to help determine if an employee, other than an RTW retiree or ORP participant, is eligible for TRSL membership.

Plan A

Only school food service employees in a Plan A parish who meet the following provision may continue membership in TRSL Plan A:

- Employees who were members of the Louisiana School Lunch Employees' Retirement System Plan A on July 1, 1983, are TRSL Plan A members for the duration of their membership in TRSL, as long as they remain an eligible food service employee in a Plan A parish.
- This plan is closed to all future school lunch employees in Plan A parishes. All new food service employees who work more than 20 hours per week in Plan A parishes must be enrolled in TRSL Regular Plan, provided they meet the eligibility requirements for the Regular Plan.
- Former School Lunch Plan A members who refund their Plan A service credit are treated as new employees when they become reemployed by a TRSL employer, even if they later purchase their withdrawn time. These employees will be enrolled into the TRSL Regular Plan.
- If a TRSL Plan A member changes employment, even if staying with the same employer, and no longer meets the eligibility requirements of Plan A, then that Plan A member must contribute to TRSL Regular Plan if they are eligible for TRSL membership. This includes the situation where the employee becomes employed in a position normally eligible for another retirement system. In such a case, if the employee has five years of TRSL service credit for eligibility, the member can opt to stay in TRSL per [LSA-R.S. 11:723](#), but the employee will become a TRSL Regular Plan member.

Plan B

School food service employees who work more than 20 hours per week in a Plan B parish are required to join TRSL Plan B. These employees pay into TRSL and Social Security.

Plan B parishes				
Allen	Catahoula	Jefferson	Morehouse	St. John the Baptist
Assumption	Concordia	Jefferson Davis	Orleans	St. Mary
Avoyelles	DeSoto	Lafayette	Red River	Washington
Cameron	East Feliciana	LaSalle	St. Helena	West Feliciana

- If a TRSL Plan B member changes employment to a TRSL employer who is not in a Plan B parish, then that TRSL Plan B member must join TRSL Regular Plan if they are still eligible for TRSL membership.
- If a former Plan B member later returns to a Plan B parish as a school food service employee, they must rejoin TRSL Plan B.
- If a TRSL Plan B member changes employment, but remains with the same Plan B parish or moves to another Plan B parish, and no longer meets the eligibility requirements of Plan B, then that Plan B member must contribute to TRSL Regular Plan if they are eligible for TRSL membership. This includes the situation where the employee becomes employed in a position normally eligible for another retirement system. In such a case, if the employee has five years of TRSL service credit for eligibility, the member can opt to stay in TRSL per [LSA-R.S. 11:723](#), but the employee will become a TRSL Regular Plan member

Ineligible employees

Employees specifically ineligible for TRSL membership per [LSA R.S. 11:701\(35\)\(b\)](#):

- Any employee who is employed as a school bus driver, a janitor, custodian, maintenance employee, school bus aide, bus monitor, or bus attendant at a city or parish school board.

Special conditions

This section provides information about special conditions, important terms and definitions for TRSL membership eligibility. You may encounter some of these special situations when assessing membership eligibility for a new hire or an employee who has changed positions with your agency.

Part-time, seasonal, or temporary employees

Employees who are considered part-time, seasonal, or temporary are not typically eligible for TRSL membership under the provisions of LSA R.S. 11:162(B). However, there are **exceptions** that require mandatory enrollment and reporting.

Please reference the following table for instances where you will be required to enroll a part-time, seasonal, or temporary employee.

PART-TIME, SEASONAL, OR TEMPORARY EMPLOYEES (*who are not TRSL retirees returning to work*)

Five (5) Year Rule: (*Effective July 1, 2003*)

PreK-12 [classroom teachers](#), including charter schools, with five or more years of service credit for eligibility in TRSL and paid with W-2 earnings must be enrolled in TRSL. Eligible W-2 employees must meet the [definition of "classroom teacher"](#) as furnished by the Board of Elementary and Secondary Education (BESE).

Ten (10) Year Rule:

W-2 employees in any TRSL-eligible position, other than a "classroom teacher" as referenced above, who have 10 or more years of service credit for eligibility in TRSL must be enrolled in TRSL.

PRIMARY VS. SECONDARY EMPLOYMENT (*applies to TRSL non-retirees only*)

Primary Employment:

TRSL non-retiree employed on a full-time or part-time/seasonal/temporary basis with a TRSL-covered agency **as a W-2 employee** must:

- **Meet the 5-year or 10-year eligibility** requirement described in table above if part-time, seasonal, or temporary
- **Be paid with W-2 earnings** (applies to both full-time and part-time/seasonal/temporary employment)

Secondary Employment:

TRSL non-retiree employed on a part-time/seasonal/temporary basis at your agency and also working at another TRSL-covered employer (dual employment/concurrent enrollment):

- Must have a *current* primary TRSL employer
- Applies to both **W-2 earnings** and **Form 1099 payments**

Secondary Employment W-2 Earnings:

W-2 employees at another TRSL-eligible employer who meet [Primary Employment](#) enrollment criteria AND are working part-time, seasonal, or temporary in a TRSL-eligible position and **paid with W-2 earnings at your agency** are required to be enrolled in TRSL under the 'Secondary' employer type, regardless of years of service.

Secondary Employment Form 1099 Payments:

W-2 covered employees at another TRSL-eligible employer who meet [Primary Employment](#) enrollment criteria AND are working part-time, seasonal, or temporary in a TRSL-eligible position and **receive compensation via Form 1099 payments at your agency**, do not enroll, if **ALL** of the following occur [does not pertain to TRSL return-to-work retirees]:

- The individual contract is for \$1,000 or less, and a Form 1099 is issued.
- The cumulative amount of the Form 1099 payments issued by your agency as the secondary employer to the employee does not exceed \$15,000 in a fiscal year.

If an individual contract is for **more than \$1,000**, then the entire payment is earnable compensation **subject to TRSL employer and employee contributions**.

If the cumulative amount of the Form 1099 payments issued by your agency to the employee **exceeds \$15,000 in a fiscal year**, then all Form 1099 payments **in excess of \$15,000** in that TRSL fiscal year are earnable compensation **subject to TRSL employer and employee contributions**.

EXAMPLE: A non-retired employee with a primary TRSL employer who is also working in a TRSL-eligible position at another TRSL-covered agency (will be secondary employer) and is paid \$18,000 in a single fiscal year via Form 1099 payments. The secondary employer should withhold TRSL contributions for \$3,000 (\$18,000 – \$15,000) and enroll the employee for the applicable period in which TRSL contributions are made.

NOTE: TRSL non-retiree members cannot contribute on 1099 earnings only. If a non-retiree is not currently a W-2 employee who meets Primary Employment enrollment at another TRSL-eligible employer, contract (1099) earnings are not reportable to TRSL by the contract employer.

Visas

If a TRSL-reporting agency hires an employee who is in the U.S. on a visa into a TRSL-covered position, the visa holder is generally eligible for TRSL membership, provided that the visa is not F-series or J-series.

EXCEPTION: J-1 visas, as well as all other visa types not specifically excluded (See "Ineligible employees" section), are TRSL eligible. As with all employees, you should evaluate membership eligibility based on part-time, seasonal, or temporary status, as applicable.

No Social Security number

Employees hired by a TRSL-reporting agency without a Social Security Number (SSN) should not be enrolled in Teachers' Retirement System of LA until a valid SSN is obtained. Employers should not enroll an employee in TRSL under a "dummy SSN" while an employee awaits a valid SSN. An employee must have a valid SSN before being enrolled in TRSL.

Employees who contribute to two different systems

A person must contribute to the public retirement system for which he or she is eligible based on his or her public employment position. As per [LSA-R.S. 11:191](#), even if employed by the same employer in two different jobs and these jobs make the person eligible for two different public retirement systems, the person must contribute to each public retirement system for which the employment makes him or her eligible. For more information on dual employment, see [La. R.S. 11:191](#).

For example, you may have an employee who works for your agency as a teacher's aide and a school bus driver, two different positions. *If the employee meets the eligibility requirements of each system*, then the employee's salary earned for duties as a teacher's aide will be reported to TRSL and the bus driver earnings will be reported to the Louisiana School Employee's Retirement System (LSERS).

Charter organizations with multiple charter schools

Any nonprofit corporation operating multiple approved charter schools in the State of Louisiana where at least one charter school is participating in TRSL, but where not all of the nonprofit corporation's approved charter schools in the state are participating charter schools in TRSL, system membership of employees who are assigned to work (for all or part of their time) at a participating charter school shall be determined in accordance with [Louisiana Administrative Code, Title 58, Part III, Chapter 3](#).

For guidance on how to report the employees' time worked only at the participating charter school, please contact an [assigned liaison team](#).

Dual positions in Plan B parishes

Beginning July 1, 2015, employees who fall within either of the below scenarios will be considered eligible for participation in both TRSL's Regular Plan and Plan B. If you are a [Plan B](#) employer, you must determine if the member is employed in two distinct positions, one of which is a school food service position. Enrollment and reporting of earnable compensation will be based on the distinct positions as detailed in the following table.

	Positions*	TWO Enrollments	TWO Reporting Records on Salary File
 Employee #1	FT Child Nutrition (Plan B)	Online enrollment in Plan B	Report actual earnings and full-time salary to Plan B under appropriate system code (System 3)
	PT Child Care (Regular Plan)	Submit Form 2PT to TRSL for processing	Report actual earnings and part-time salary to Regular Plan under appropriate system code (System 4)
 Employee #2	FT Teacher Aide (Regular Plan)	Online enrollment in Regular Plan	Report actual earnings and full-time salary to Regular Plan under appropriate system code (System 4)
	PT Child Nutrition (Plan B)	Submit Form 2PT to TRSL for processing	Report actual earnings and part-time salary to Plan B under appropriate system code (System 3)

*Positions listed are examples. **(FT = full time; PT = part time)**

- Employee #1** works a 7-hour day as a child nutrition/cafeteria worker (full-time, eligible for Plan B) and two hours per day as an after school/child care worker (part-time, would be eligible for Regular Plan if the position were full-time).
- Employee #2** works a 6-hour day as a teacher's aide (full-time, eligible for Regular Plan) and two hours per day as a child nutrition/cafeteria worker (part-time, would be eligible for Plan B if the position were full-time).

Retaining TRSL membership

You may hire an employee whose job is eligible for membership in another state or statewide retirement system. If the employee has at least five years of service credit for eligibility in TRSL, he or she can retain membership in TRSL instead of joining a new retirement system. [\[LSA-R.S. 11:723\]](#)

The employee must complete an [Election to Retain Membership \(Form 2R\)](#) within 60 days of beginning the new employment.

If your agency does not inform the employee of his/her right to retain TRSL membership, the election may be made later under certain circumstances. Contact [TRSL's Active Membership Specialist](#) for more information.

NOTE: This provision of law is not applicable to employees covered by the Parochial Employees' Retirement System of Louisiana or the Louisiana Clerks of Court Retirement and Relief Fund.

Joining TRSL after ORP Participation

You may hire or already employ an Optional Retirement Plan (ORP) participant who is eligible to make a one-time irrevocable election to cease participation in ORP in order to become a new member of the 2015 Regular plan of the Teachers' Retirement System of Louisiana (TRSL).

There are two groups of ORP participants who are eligible to make this irrevocable election. One group has a 7-year window and one group has a 60-day window in which to make this irrevocable election.

NOTE: *Certain ORP participants had a one-year window to make an irrevocable election to join TRSL after ORP participation. These participants had ORP First Eligible Dates prior to August 1, 2020, and were active and contributing as of June 2024. Their 1-year window closed June 30, 2025.*

7-Year Window

ORP participants with ORP First Eligible Dates on or after August 1, 2020, that are active and contributing at the time of their election have a 7-year window that closes 7 years after their ORP First Eligible Date. They can make the irrevocable election during this window to cease participation in ORP in order to become a new member of the 2015 Regular plan of TRSL if they meet the TRSL membership eligibility requirements covered earlier in this index.

To make this election, both employer and employee must complete the

Retirees returning to work (in TRSL-covered positions)

When hiring a TRSL retiree, employers must enroll the rehired retiree under the appropriate return-to-work provision within 30 days if the position would normally be TRSL-eligible. Complete notification and enrollment information for retirees returning to work can be found in [Index 15.0](#).

Look up employee's record in EMIS

TRSL encourages all employers to look up an employee's record in EMIS, our secure employer access database. This step is especially important when you have an employee who meets one of the special conditions described in this index.

Review Member Summary screen

The Member Summary screen is an ideal starting point when reviewing an employee's individual retirement record. This one screen provides crucial information, such as estimated years of service credit for eligibility, membership status (active, retiree, etc.), and enrollment history.

Form 2 enrollments (paper form)

The preferred method to enroll a new employee is through the online enrollment process. However, there are times when TRSL requires a hard-copy enrollment application form. For these situations, the agency must submit an [Enrollment Application/Employment Notification](#) (Form 2).

- New employees should complete Section 1 of the Form 2.
 - » *As the employer, you must verify the accuracy and completion of Section 1.*
 - » *If the employee is unavailable, you may complete this section on behalf of the employee.*
- Employers must complete all fields in Section 2.
- Form 2 must also be signed by an authorized signer for the employer before the form is submitted to TRSL for processing.

Only send Form 2 to TRSL if you cannot process the enrollment online through EMIS.

Important documents for enrollment process

Enrollment-required forms and documents

Employer checklist

All employers should complete the following as part of the enrollment process:

☐

Have employee complete [Statement Concerning Your Employment in a Job Not Covered by Social Security](#) (Form 2SS). Mail completed form to TRSL. **Plan B members are exempt.**

☐

Have employee complete [Forfeiture of Retirement Benefits – Attestation of Understanding](#) (Form 2FRB). Retain this document in the employee's file.

☐

Provide employee a [Beneficiary Designation for Non-Retired Members](#) (Form 3) to complete and designate beneficiaries for his/her TRSL contributions. The employee will be responsible for mailing the completed form to TRSL. Refer to [Index 3](#) for beneficiary information.

☐

Gather supporting documentation (if available) and mail to TRSL:

- Copy of member's birth certificate (Write member's Social Security number on each copy.)
- Copy of member's Social Security card

NOTE: Do not hold enrollment applications if supporting documents are not available. New TRSL-eligible hires must be enrolled within 60 days.

All TRSL forms are available as fillable PDFs at www.TRSL.org/forms.

Non-Social Security covered employment

TRSL members (except those in Plan B) do not pay into Social Security during their TRSL-covered employment. A new hire, however, may have prior Social Security-covered employment. The Social Security Protection Act of 2004 requires public employers outside of the Social Security system to notify individuals who start work in a job not covered under Social Security.

In order to comply with this federal legislation, TRSL requires employers to have all new hires sign TRSL's [Statement Concerning Your Employment in a Job Not Covered by Social Security](#) (Form 2SS), certifying that the employee has been told about their TRSL-covered employment not paying into Social Security. Employers will be required to send copies of the signed form to the retirement system that covers the new employee. Plan

Forfeiture of Retirement Benefits Attestation

In accordance with Louisiana [R.S. 11:293](#), a public employee hired on or after January 1, 2013, who is convicted of a "public corruption crime" may have his or her retirement benefits forfeited.

The law defines "public corruption crime" as a state or federal felony committed on or after January 1, 2013, in which the sentencing judge finds that the public servant acted willfully and in the course and scope of his official capacity and that any of the following apply:

1. The public servant realized or attempted to realize a financial gain for himself or for a third party.
2. The public servant committed any criminal sexual act with or upon a minor, and there was a direct association between the public servant and the minor related to the public servant's employment.

Employers are required to have new employees read and sign TRSL's [Forfeiture of Retirement Benefits – Attestation of Understanding](#) (Form 2FRB), which certifies that the employee has been informed about the forfeiture of public retirement benefits statute.

Employers will certify the document has been signed and is being retained during the online enrollment process. Do not send the completed form to TRSL.

Employers should take the following corrective actions for any employee records listed on the Reporting Not Enrolled report:

1. Verify the employee meets membership eligibility requirements for the period contributions have been posted.
2. If employee is eligible for TRSL membership:
 - » Process an online enrollment or complete an [Enrollment Application/Employment Notification](#) (Form 2) to enroll the employee whose status is "Active" or "Inactive."
 - » If the employee's status is "Retired," process an online enrollment for a return-to work retiree within 30 days of hire date and select correct return-to-work provision. See [Index 15](#) for more information on return-to-work retirees.

The screenshot shows the TRSL web portal interface. At the top, there are three green callout boxes with red arrows pointing to specific areas of the report:

- Double-check SSN against copy of SS card in employee's personnel file.** (Points to the SSN column)
- Ensure employee is eligible to be enrolled.** (Points to the Status column)
- Check for any "RETIRED" statuses. Enroll retirees working in TRSL-covered positions within 30 days to avoid penalties.** (Points to the Status Date column)

The main report is titled "Reporting Not Enrolled Report" and shows a table for "System: 4". The table has columns: Empr ID, SSN, Member Name, Status, Status Date, and Contribution Type. The table contains several rows, all with "ACTIVE" status.

3. If employee is **not** eligible for TRSL membership:
 - » Delete the value of earnings reported using the online Contribution Correction. Refer to [Index 4](#) for more information on correcting earnings and contributions.
 - » Adjust corresponding reports/deductions on your agency's own software and payroll reports. This step will prevent future exceptions for the same issue on the same employee.

Frequently asked questions (FAQ)

1. When is an employee eligible to be a member of TRSL?

*This depends on several factors. In general, if an employee has a job normally eligible for TRSL membership, then he or she must become a member of TRSL. **Special conditions:***

- » *If the position is part-time, temporary, or seasonal, the employee cannot join TRSL unless they have already accumulated 10 years of TRSL service credit, or have already accumulated five years or more if a "classroom teacher," or are also contributing at the same time on full-time employment with another employer.*
- » *If the employee previously elected to join the Optional Retirement Plan (ORP) while employed by a state college or university, he or she may be eligible to make a one-time irrevocable election to cease participation in ORP in order to become a new member of the 2015 regular plan of TRSL. Please see the [Joining TRSL after ORP Participation](#) section.*
- » *If the employee is a TRSL retiree, they generally do not become a TRSL member again. However, eligible retirees can choose to return to active member status and earn a supplemental benefit. [See Index 15.](#)*

2. Our agency will be hiring a part-time substitute teacher. Do we have to enroll him/her in TRSL?

Part-time, seasonal, and temporary employees, which includes substitutes, may still be eligible for TRSL, depending on their service credit.

- » *If the employee will be working as a substitute classroom teacher, you must enroll that person if he/she has five or more years of service credit for eligibility in TRSL or if the employee is currently working full-time at another TRSL-covered employer.*
- » *Check the Member Summary screen in EMIS to verify current service credit and employment history.*

3. Are newly hired full-time classroom teachers at a Louisiana public school system required to join TRSL? Can I put them in Social Security instead?

By [statute](#), any one meeting the definition of "Teacher" must be enrolled in TRSL, with two exceptions per [Act 47](#):

As of July 1, 2025, first-time TRSL-eligible employees who meet either criterion below may opt out of membership in TRSL:

1. At least age 60 when first employed in a TRSL-eligible position, or
2. At least age 55 with 40 quarters in Social Security when first employed in a TRSL-eligible position.

Eligible employees who decline membership in TRSL must complete Sections 1, 2, and 3 of the [Opting out of TRSL Membership form \(Form 17\)](#). The employer must complete Section 4 and send TRSL a copy of the form.

4. **A U.S. citizen, age 63, has been hired as a 30-hour per week school secretary at our parish school board. She has never contributed to TRSL before. Should she be enrolled in TRSL?**

The person meets all of the [eligibility requirements](#) for TRSL membership and would be enrolled UNLESS she opted out of membership in TRSL per [Act 47](#).

As of July 1, 2025, first-time TRSL-eligible employees who meet either criterion below may opt out of membership in TRSL:

1. At least age 60 when first employed in a TRSL-eligible position, or
2. At least age 55 with 40 quarters in Social Security when first employed in a TRSL-eligible position.

Eligible employees who decline membership in TRSL must complete Sections 1, 2, and 3 of the [Opting out of TRSL Membership form \(Form 17\)](#). The employer must complete Section 4 and send TRSL a copy of the form.

5. **A new employee is hired as a full-time Chapter 1 math teacher and signs a contract for one year. Should the teacher be enrolled in TRSL?**

Yes, as long as the employer expects to employ the teacher for more than two years. If this employee will be temporary (expectation is to employ the teacher for two years or less) and the member is not vested, then the employee would not be eligible to be enrolled in TRSL.

NOTE: As of July 1, 2025, first-time TRSL-eligible employees may opt out of TRSL membership if they are at least age 60 or at least age 55 with 40 quarters in Social Security via [Form 17](#).

6. **A cafeteria worker with 5.5 years in Plan B quits and takes a 40-hours-per-week job as a custodian. What retirement system should the employee contribute to?**

As a custodian, the employee would normally be required to join Louisiana School Employees' Retirement System. However, because the employee has over five years of service credit, he or she may make an irrevocable election, within 60 days of employment, to remain a member

of TRSL by completing [Election to Retain Membership \(Form 2R\)](#).

NOTE: The member would be enrolled into the TRSL Regular Plan instead of remaining in TRSL Plan B because the new position is not a school food service job.

- 7. An employee works 25 hours per week as a special education classroom aide and 21 hours as a bus attendant. To what retirement system(s) should the employee be contributing?**

On the aide earnings, the employee must contribute to the TRSL Regular Plan. On the bus attendant earnings, the employee must contribute to the Louisiana School Employees' Retirement System.

- 8. A full-time teacher at a local school board with two years of service credit is employed to teach one night class for a public university. Are night-school earnings subject to TRSL contributions?**

Yes, as long as the employee is eligible for TRSL based on employment at the local school board. If the employee was not a member of TRSL, the night-school class earnings would not be subject to TRSL contributions because it is part-time employment and the employee has less than 10 years of service credit for eligibility with TRSL.

- 9. An employee at a local school board is hired to work 3.5 hours per day, 5 days a week. Is this employee eligible for membership?**

Because the employee does not work more than 20 hours per week ($3.5 \times 5 = 17.50$ hours per week), you will need to check to see if the employee may be eligible to contribute if he/she already has 5 years (if employed as a classroom teacher) or 10 years of service credit for eligibility (if hired in any other TRSL-eligible position) in TRSL. If the employee is also working full-time at another TRSL-eligible employer while working part-time for your agency, you may need to enroll the employee as the secondary employer. See the [Special Conditions](#) section of this index for more information.

- 10. An employee transferred from a public college to a technical college. The employee will be working as a fulltime teacher at the technical college. The employee was an ORP member at the college. Is this employee eligible for TRSL?**

This employee may be eligible to elect to join TRSL after ORP participation. See the [Joining TRSL after ORP Participation](#) topic under this index's Special Conditions section for more information.
