Notes:

N/A = Not Applicable

- 1) Low melt temp bale film wrap used
- 2) Royalene 505 uses blue grid film wrap for identification purposes
- 3) Container maximum for export only, otherwise restricted at 15 skids
- 4) OTD is a returnable aluminum container available for domestic customers only. Contact sales regarding availability
- 5) Corrugated inserts to protect friable bales from compaction

v.2014.06.03.0001
